Not Registered? Register

3. Fill in the required information

The screenshot shows the registration page of the USciences Student Health Portal. At the top left is the USciences logo. Below it is a navigation bar with links for Home, My Profile, Messages, and Document Upload. The main content area is titled "Register" and contains several input fields: Student ID (include leading zero), Date of Birth (MMDDYYYY), Email, Verify Email, Security Question (a dropdown menu with "Choose" selected), and Security Answer. A "Register" button is located at the bottom of the form and is highlighted with a black border.

4. Click “Register”

5. After a successful registration, you will receive an email with a link to obtain your password.
6. Answer the security question and create your password.

The screenshot shows the USciences website interface. At the top left is the USciences logo. To its right is a navigation menu with four items: Home, My Profile (with a dropdown arrow), Messages (with a dropdown arrow), and Document Upload. Below the navigation menu is a password requirement notice: "Passwords must be at least 7 characters long and contain at least 2 number(s) and 5 alphabetical character(s)." The main content area is titled "Set Password" and contains three input fields: "What city were you born in?", "Password", and "Verify Password". A "Set Password" button is located at the bottom right of the form.
